

SWIM BOY PIPE - LESS FILTER

We are proud to introduce our new Wall Mounted Filter 'Swim-boy'. The filter is made up of POWERFUL FRP BODY, which makes the filter Anti-Corrosive, Anti-Fading and is easy to clean. Swimboy replaces filtration rooms, it is easy to install, and cost effective. It is compatible to add Ozone, Heating and Water curtain. Swim-boy is unique and most effective solution for keeping the pool clean and modern.

SWIM BOY PIPE - LESS FILTER

TECHNICAL SPECIFICATION
